DONATION ACKNOWLEDGEMENT

The Clovis North Educational Centers Girls Water Polo program is raising funds for their 2017-2018 season competition expenses. In order, for us to compete against a higher level of competitor, our Girls Water Polo program must travel for tournaments. The total cost of the program's tournament fees and traveling expenses is about \$8,000 a season. For us to accomplish this, we will be hosting a shoot a thon **August 12th, 2017** and we are asking for your help.

A shoot a thon is where CNEC water polo players earn money making as many goals/points as they can. Water polo players have 5 rounds with 10 attempts to score points each round. Donors can either pledge a certain amount of money per shot, or make a flat donation in support of

CLOVIS NORTH/GRANITE RIDGE GIRLS WATER POLO

The Clovis North Educational Centers Girls Water Polo program offers an experience that reaches far beyond a physical fitness program. We build independence, self-esteem, character, teamwork, and a strong work ethic. We encourage our players to apply these values to every aspect of their daily lives. Any donation, would be greatly appreciated. Thank you in advance for your consideration and support. Donations are tax deductible.

Sincerely,

Michael K. Nichols
